5th UGR Student Talent Awards

10/04/2025

On 8 April, in the Sala Máxima at the Espacio V Centenario, the Social Council of the University of Granada held the awards ceremony for the fifth edition of the scheme recognising the talent of UGR students in the field of introductory research.

In this edition, our colleague Celia Tenorio has been honoured in the fields of Science, Health Sciences, Architecture and Engineering, in recognition of her excellence and commitment to research across various areas of knowledge.

Congratulations, Celia!
